

Cascade School of Music 2018 - 2019 Tuition Assistance Application

Tuition Assistance at Cascade School of Music is an important part of our mission. Businesses, organizations, and individuals have donated funds to make this possible, and we are glad to offer it to students and families. We expect effort, regular attendance and good behavior on the part of the student. We may also for up to five volunteer hours per family per term.

Eligibility is based on family size and income. Tuition assistance awards range from 30% to 50%. Awards are made on a first-come, first-serve basis. Funds are limited. If there are other circumstances affecting your ability to pay tuition, please let us know.

To apply for Tuition Assistance, please complete the application and submit it to the school with income verification documents. Verification of income needs to be in the form of your most recent 2017 federal income tax return and/or the names of all household members and the amount and source of income received by each household member in the prior month. We may request additional information to determine eligibility. We must have both the application and proof of income to complete the review process.

Tuition Assistance award approval may take up to 48 hours. Students/families will be notified of the decision via email.
